THE CASTLE AWAITS

Ireland's most magical address, Dromoland Castle has been welcoming guests since the 16th century. The ancestral home of the O'Briens of Dromoland, whose lineage dates back 1,000 years to Brian Boru, one of the last High Kings of Ireland, we have got nobility and hospitality in our DNA.

From the imposing baronial façade to our startling interiors, you'll find a world of historic grandeur underpinned by the finest modern comforts. With lavish decor, indulgent dining, fabulous views and magnificent bedrooms, this is a place to feel at home.

Behind our warm Irish welcome is the belief that every guest is royalty. Stroll the 450-acre estate. Tee off on our world class golf course. Take afternoon tea by a roaring fire. Relax in our intimate spa. Enjoy delicious cuisine. No matter what your preference, at Dromoland Castle there's no escaping the sense that you are walking in the shadows of kings.

The pinnacle of excellence, come in the knowledge that all your expectations will be met. A remarkable retreat with an easy elegance, it's time to make Dromoland Castle a part of your story.

THE EARL OF THOMOND RESTAURANT

Dromoland Castle's flagship restaurant, the Earl of Thomond, is celebrated in culinary circles for its panache, elegance and innovation. Delightfully relaxed, a meal here will be a highlight of your stay with us. Executive Head Chef David McCann marries classical techniques with the most outstanding Irish produce from sea and land with heavenly results. Prepare to be dazzled by exquisite local flavours, imaginative wine pairings, impeccable service and a dash of Dromoland magic. Offering an authentic taste of Ireland surrounded by Venetian silk, sparkling chandeliers and sweeping views of the estate.

THE GALLERY & DRAWING ROOM

One of the most beloved spots in the Castle, the impressive Gallery and Drawing Room captures the essence of Dromoland's magic. Sink into a deep fire-side sofa or cosy armchair and settle in for a morning's reading, replenished by coffee and scones or a light lunch.

Relax here after a day's activities with a casual evening meal, afternoon tea or cocktail and a snack. Surrounded by beautiful antiques, hunting mounts, ancestral portraits and the comfiest of furnishings, don't be surprised if you linger longer than you intended.

THE COCKTAIL BAR

Intimate, intricate, inviting, The Cocktail Bar at Dromoland was once the O'Brien family's wonderful library. A fantastical octagonal room with cosy window seats overlooking the Castle lawns, you can enjoy a casual meal or snack from The Gallery menu or simply sit back with a drink while soaking up the regal views (or the banter with our bar staff as you perch by the bar!) An extensive cocktail list is available alongside beers on tap and a superb selection of wine, Irish whiskey and gin.

MRS WHITES AFTERNOON TEA

A long-standing tradition at Dromoland Castle, we aim to impress with this fun and indulgent ritual. Named for a long-standing member of our staff, Mrs White's Afternoon Tea, is a feast fit for royalty. You'll enjoy the prettiest selection of treats: scrumptious finger sandwiches, warm scones with clotted cream and homemade jams, delicate pastries, our signature tea brack and the sweetest confections. Of course, our specially selected loose leaf teas from around the world are served in sparkling silver teapots, alongside the prettiest china. An unmissable five-star indulgence we know you'll love!

A magnificent playground of country pursuits, Dromoland Castle's 450-acre estate offers up so many opportunities for fun. Surrounded by County Clare's rolling hills, your stay can be as chilled out or high energy as your wish.

Make like a royal and schedule some archery, clay shooting or falconry. Our resident hawks, falcons and owls will take your breath away. Plenty of local wildlife call our estate home too, so you may just end up sharing your walk with some deer, pheasants, squirrels or ducks!

The majestic Dromoland Lough is excellent for trout fishing or boating, with the added bonus of distractingly good views of the Castle. Take a woodland jog before breakfast, head off on a cycle around the grounds or enjoy a romantic stroll in the Walled Garden after dinner.

Alternatively, what better way to experience county Clare than in the saddle, horse riding through the lush green countryside. Saddle up and enjoy the joy of trekking through the ancestral estate of the O'Brien's.

Dromoland Castle's 18-hole championship golf course wraps around the historic estate and is both thoughtful and challenging. We're rather proud of our state-of-the-art practice facility too, which has 10 fully automated driving bays, complete with Golf-Tech's fully automated Power Tees.
